

Annual Performance Appraisee

Agenda

Section	Topic
01	Performance Review Stages
02	Overview
03	Application Walkthrough

Performance Review Stages

Self Assessment

- Visibility of all historic feedback, Seek additional appraiser feedback, attach any supporting document,
- Submit parameter level remarks & overall remarks for Appraiser

Appraiser Feedback

- Visibility of all historic feedback, additional appraiser feedback & any supporting document uploaded by Appraiser
- Goal assessment, behavioral assessment, Submit the performance recommendation to reviewer

Discussion

- Appraiser has complete visibility on the feedback given by Appraiser, remarks & behavioral assessment
- Appraiser to share feedback on the performance feedback discussion with Appraiser & submit the form to reviewer

Reviewer Feedback

- Reviewer has complete visibility to historic feedback, additional appraiser feedback, review any supporting document
- Review appraiser feedback, submit their recommendation to Calibration owner for finalization

Calibration

- Business leader has visibility of recommendation from Appraiser & reviewer
- Business leader to review and close the final recommendation for processing further

LOB Calibration

- This is HR stage wherein HR can review the recommendations from business, conduct discussion as required
- Review & submit (or refer back) the feedback for next steps, HR has no edit write in the system

Complete

- Post submission from LoB Calibration stage the rating is now visible to employee with all relevant remarks and data points as closed by the respective stakeholder

My Performance Overview

The launch of **My Performance** brought about many changes for all stakeholders, **My Performance** is an integrated platform for the entire life cycle of Performance Management in a review period. Given below the key highlights / features

Simplified

- Intuitive, user-friendly interface
- All features are self-explanatory
- Unified Performance Management
- Multiple system driven communication on progress

Transparency

- Complete & real time view of the performance management stages
- Visibility of goals from beginning of review period

Continuous

- Opportunity with Appraiser & Appraisee to capture progress made throughout the year
- Quick 5 star on demand feedback option with Appraise

Developmental

- Integrated with Career, learning, skills & value creation
- Captures progression of the employee during the year

Performance Journal

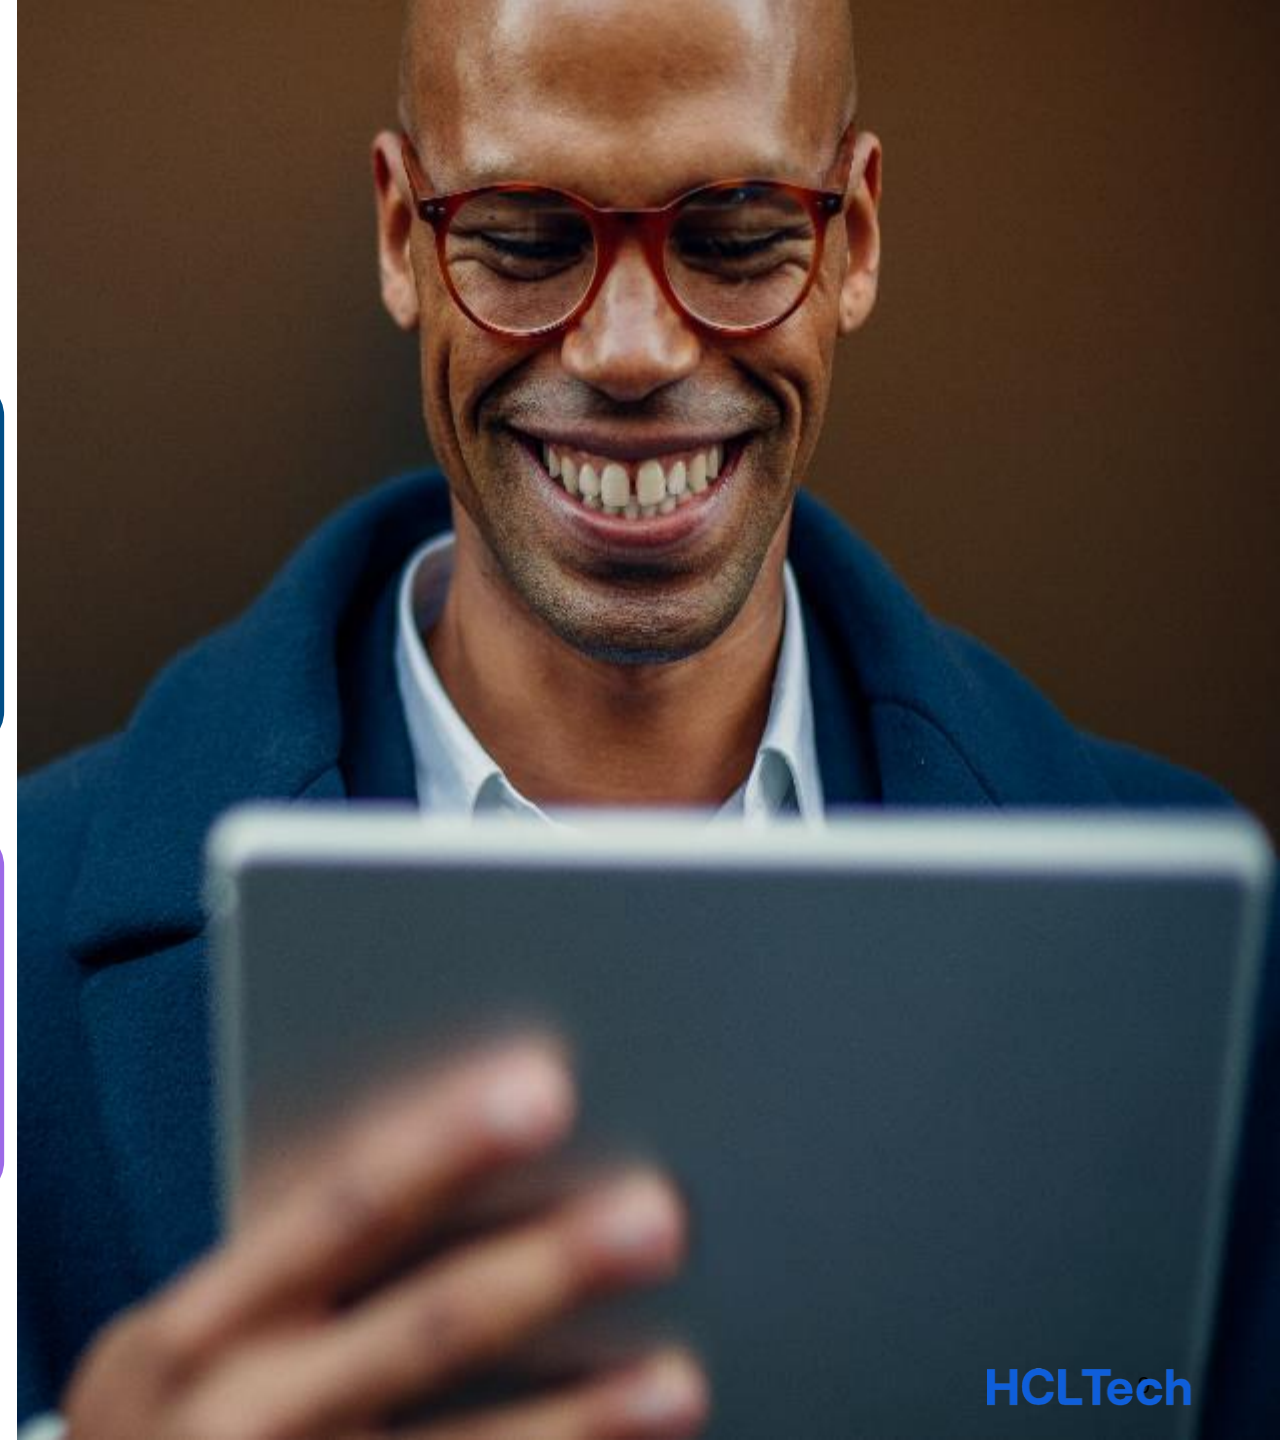

Performance Journal is divided in two parts:

Contribution

1. **Productivity:** utilization data of the employee will be populated here. The data is signed off by respective PMO being uploaded in this section
2. **Skill Data:** Skills data of employee will be auto populated here through Skill Profile System (SPS) integration
3. **Quality:** Employee will have an option to upload any appreciation emails, client acknowledgement, SPOT awards that he has received during the financial year.
4. **Learning:** Learning data of employee will be auto populated here through Learning management system integration

Differentiators

1. **Value Creation:** If you have contribution in Value creation via value portal, ex: sharing an idea that had a financial impact or saved time for business which is over and above your roles and responsibilities will be added under this category.
2. **Volunteering Data:** If you have volunteered for any HCLTech sponsored/initiated program such as any educational, charity program, those voluntary initiatives will be accounted under this section
3. **Lead Gen:** If employee has generated a lead for business, that data will populate here

Performance Journal – Contribution

Appraisee Dashboard

HCLTech | Performance Management

Dashboard | Review Period: All ▾

Review Period - 2017-18

The flowchart illustrates the performance review process for the 2017-18 period. It consists of nine sequential steps: Goal Setting, Continuous Assessment, Self-Assessment (Annual), Appraiser Feedback (Annual), Discussion, Reviewer Feedback (Annual), Calibration, LOB Calibration, and Annual Review Completed. The first four steps are marked with green checkmarks, indicating completion. The 'Discussion' step is highlighted with a red circle and a dashed orange border, with a yellow callout box pointing to it. The remaining steps are marked with clock icons, indicating they are pending.

```
graph LR; A((Goal Setting)) --> B((Continuous Assessment)); B --> C((Self-Assessment Annual)); C --> D((Appraiser Feedback Annual)); D --> E((Discussion)); E --> F((Reviewer Feedback Annual)); F --> G((Calibration)); G --> H((LOB Calibration)); H --> I((Annual Review Completed));
```

Note : For any changes required in appraiser mapping, visit [ESS](#). Kindly wait for 24 hours for correct appraiser to reflect in My Performance before submitting the form to Appraiser Feedback Stage.
